Facility Information

Grounds

The Beach Club is approximately 1.5 acres of private, beachfront property in Waimanalo with access to a small beach protected by a rock breakwall. Capacity in the pavilion is limited to 400 people (by order of the Fire Department). The main pavilion is open air A frame style, with a breezeway off to the side. There is a separate kitchen facility building, and parking for approximately 10-12 cars next to the kitchen. There are also separate men's and women's restrooms available, with both having cold/hot water showers. Finally, there is a private residence & maintenance shed on the property, which are off limits.

Tables and chairs are available on property. The tables are long "Luau style" (8ftx2ft) and seat six people comfortably. There are roughly 350 chairs available, which are light gray, plastic, folding chairs. Renters are responsible for the set up and break down of tables and chairs, as well as general clean-up of the facility prior to departing the premises.

Children's bouncy houses are permitted in specific areas on the premises (please see the Resident Business Manager), but are limited to two (2) units without water slides. Live animals are not permitted, except for ponies for children's rides, and service animals as required by law.

Kitchen

The kitchen facilities offers: gas ranges, gas ovens, refrigeration and preparation/work tables and sinks, and are included in the rental price. Renter is responsible for supplying utensils & other cooking tools.

Beach

Private beach access is available, but there is no lifeguard on duty. Swimming is at Renters Own Risk. The facility also offers outdoor beach showers, as well as restrooms with both cold/hot showers.

Private Residence, Maintenance Shed & Storage Facility

These locations are reserved for the Aloha Shriners organization, and are considered off limits to renters

and visitors.

Please note: The Beach Club manager has the final authority for what is / is not permitted on the grounds; if you are unsure, please obtain approval prior to the event day.

Items specifically not included or available on premises are: PA/sound systems, an imu (traditional earthen oven) and ice.

HPD Special Duty Officer

An HPD Special Duty Officer is requested by the Aloha Shriners for every rental, to provide parking and traffic safety, as well as civility. It's important to specify that, while every rental is also accompanied by an HPD Special Duty request, the job request may go unfilled. HPD Special Duty job requests are not confirmed in advance by HPD, meaning that our organization becomes aware of the job's fulfillment when the officer shows up or does not show up.

Parking

Limited parking is available inside the gate near the kitchen building. Again, check with the Beach Club Manager in advance. Vehicles are not permitted on the grass, volleyball and play areas in the yard due to the presence of a septic tank and complex irrigation system. All vehicles must remain on the concrete driveway and the kitchen parking area (grass adjacent to the kitchen). No vehicles are allowed inside the pavilion.

Prohibitions

Alcoholic beverages may not be sold on the property without a liquor license..

Gambling is strictly forbidden.

Open grills are allowed only in the barbecue area.

Baseball, football, golf, bicycle riding, skateboarding and rollerblading are not permitted.

Wet clothing is not permitted in the pavilion.
